LOTS ON VIEW FROM JANUARY 28th
OFFICES OPEN SATURDAY BEFORE SALE

- 178 **Ann Arbor, Mich. The fancy cancellations of Harry Cox Nickels**, who was appointed a clerk in the Ann Arbor Post Office in January, 1884. He indulged in a series of special cancellations, much in the manner of the famous Waterbury, Conn. cancels, except that in most instances the Nickles cancellations embody his initials in one form or another. This specialized collection comprises 28 covers and three stamps off cover. There are nine different cancellations, but the collection shows different states of them, as they became worn in use. Some are very rare, being in use for only a few days. The stamps are almost exclusively the 2c Red Brown #210 and all are selected for clear strikes. This is an exceptional collection of exhibition stature and is offered as a unit to preserve the intensive research of Mr. Schoen. The best known of these interesting cancellations is the "I AM, between the initials "H" & "N"; the most unusual is that of the name "BERRY" who was a close friend and associate of Nickels and was later associated with him professionally. The opportunity to acquire such an important collection in its field is unprecedented. We consider it to be a tremendously fascinating group. Offered on the original album pages, well written-up with full explanatory notes **E. XI**
- 179 **Ann Arbor, Mich. The fancy cancellations of Charles P. Bender.** Bender became a postal clerk when Harry Nickles and C. W. Berry left the Post Office in 1885. He created a few fancy cancellations of his own. Two of them embody his initials, another resembles a horse-shoe on its side. There is also a sold star and a large grid of five squares, arranged cruciform. The collection is almost entirely on covers bearing the 2c Red Brown (210). There is one pictorial cover of the Medical School at Univ. of Michigan. Almost all are clear, bold strikes and most of the covers are in fine condition. Another fascinating group, best offered as a unit. It is on the original album pages and well written-up **E. VIII**

| 1045 | | WEST VIRGINIA, A Postal History Collection of Major Importance. All covers, mounted and well written-up on heavy card pages. There are 61 covers in all; 15 are stampless prior to the Civil War, 29 are Packet Covers operating on the Ohio and Kanawha Rivers and tributaries and 13 are Route Agent postmarks, Packet and Railroad, on covers and registry cards. The packet section includes many pictorial types and is replete with rare and seldom seen covers, one, a packet mark of the side-wheeler "Kentucky" is said to be one of two known and there are other very rare packets represented. Condition is mixed, as is to be expected but very few badly worn or unsightly covers are present and are in the collection only because better condition never became available. A great many covers are in choice, fresh condition and the majority would warrant being offered as individual auction lots. However, to break the collection would destroy years of intensive historic postal research and it is our feeling the collection is best offered intact so that it may be continued and expanded. Even now, it is of exhibition stature and can be shown with pride. Expansion offers a real philatelic challenge but that is what the game is all about. Our estimate of value is conservative at \$1000.00 to \$1500.00. | E. XV |

IS YOUR COLLECTION FOR SALE?

REALIZE IMMEDIATE CASH PLUS THE ADDED ADVANTAGE OF SELLING THROUGH OUR AUCTIONS

We will advance immediate cash up to 75% of our appraisal value, of what your collection should realize at auction. There is no interest charge.

Your collection will then be sold in one of our coming auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. There is no lotting fee or any other charges. Final settlement is made within five weeks after the sale. We have been continuously conducting stamp auctions in the United States for over forty-four years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps direct for appraisal. Auction advance will be remitted shortly after receipt. If not entirely pleased, stamps will be returned at our expense. If circumstances warrant due to bulk or value, we will travel anywhere to inspect important properties.
